Z-WAVE Plus Products

Compatible with Samsung SmartThings, Vera and HomeSeer

Door and Window Sensor - DWZWAVE2.5-ECO

- Easy install, battery pull-tab design
- White and brown options in the box
- 3-year battery life

DWZWAVE2.5-ECO

Wireless Pet Immune Motion Detector - PIRZWAVE2.5-EC

- 35' detection pattern, pet immune up to 55 lbs
- Up to 5 years battery life
- Two operational modes (automation, security)

PIRZWAVE2.5-EC

Smart Z-Wave® Thermostat - TBZ500

- Clean design with 4 capacitive touch keys
- Easy to read backlit LCD screen
- Upgradeable with OTA via Z-Wave 500 protocol
- Support for 24V DC power or 4 AA battery operation
- Compatibility:
 - Alarm.com
 - SecureNet
 - Resideo Total Connect 2.0

TBZ500W

TBZ500B

Firefighter Smoke/CO Audio Detector - FF-ZWAVE5-ECO

- Detects temporal 3 patterns of UL smoke detectors
- Detects Temporal 4 patterns of CO detectors
- 5 year battery life

FF-ZWAVE5-ECO

firefighter

Flood/Freeze Sensor w/Probe - FLF-ZWAVE5-ECO

- Freeze sensor transmits warning at 41°F (5°C)
- External flood probe included with 36" cable
- Up to 5 years battery life

FLF-ZWAVE5-ECO

Z-Wave Long Range Garage Controller - GCZW7-ECO

- Mounts easily to the existing "L" bracket
- Connects directly to the garage door operator
- Enables remote access to open and close their garage door using their security panel
- Z-Wave LR transmission distance: Up to 2200 FT line of sight

GCZW7-ECO

Garage Door Tilt Sensor - TILT-ZWAVE2.5-ECO

- Solid State accelerometer technology
- Easy install, easy pairing on power-up
- 5-year battery life, CR123A lithium

TILT-ZWAVE2.5-ECO

Interior Wireless Siren/Chime - ISZW7-ECO

- Powerfully loud at 105db
- 30 tone choices and SD card for customizing
- AC powered w/ 24Hr battery back-up

ISZW7-ECO

Z-WAVE Plus Products

Compatible with Samsung SmartThings, Vera and HomeSeer

Door/Window Sensor - DWZB1-ECO

- Simple to install
- Battery tab triggers pairing
- ZigBee certified protocol. ZigBee 3.0
- 5 year battery life. CR123A Lithium

DWZB1-ECO

PIR Motion Detector, Pet Immune - PIRZB2-ECO

- Smooth rounded front finish and hidden lens blends easily with any décor
- Zigbee 3.0 Certified
- High performing capture algorithm and Fresnel lens
- Pet immunity up to 85 lbs. reduces false alarms
- Wide coverage pattern, 40' X 40'
- 5-year battery life with an easily replaceable CR-123 battery

PIRZB2-ECO

Firefighter Smoke/CO Alarm Audio Detector - FFZB1-ECO

- Detects Temporal 3 patterns of UL smoke detectors
- Detects temporal 4 patterns of CO detectors
- ZigBee version HA 1.2
- 5 year battery life

FFZB1-ECO

Flood Sensor - FLZB1-ECO

- Thin design to slide under appliances
- Detects with a minimum of 1/64th" of water
- ZigBee version 3.0
- 4 year battery life

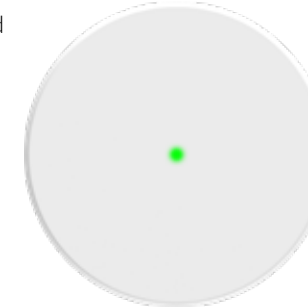

FLZB1-ECO

firefighter

Temperature/Humidity - THZB1-ECO

- Small form factor can be mounted anywhere
- Zigbee 3.0 Certified
- Up to 19dBm output power
- Temp Accuracy: $\pm 0.5^{\circ}\text{C}$
- Range: 0°C to 50°C
- RH Accuracy: $\pm 2\%$
- 3-year battery life with an easily replaceable CR2477 battery

THZB1-ECO

CO2 Sensor - CO2ZB1-ECO

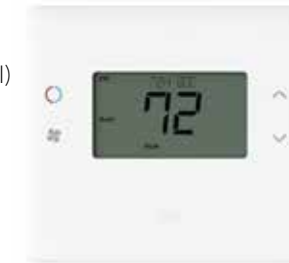

- Small form factor can be mounted anywhere
- Sensing accuracy: $\pm 75\text{ppm} + 5\% \text{MV}$
- RF high power mode available for US
- Easy to integrate with Zigbee gateways on a Zigbee network
- Compatibility: Zigbee 3.0 or higher
- 2-Year battery life with easily replaceable 4 AA batteries

CO2ZB1-ECO

Energy Management Thermostat - TBH300

- Large LCD with white backlight
- System Mode (Off, Auto, Heat, Cool)
- Fan control: On, Auto
- Degrees in Fahrenheit or Celsius
- Compatible with the majority of conventional HVAC systems
- Works with 24VAC power wiring

TBH300
